Harry, we can make the 8/15 BLM meeting work and although I haven't confirmed the 4:00 8/16 meeting with the County and City, they have been put on notice that we would like to meet. I'm open in the morning before the 8/16 meeting, but it looks like Greg is scheduled for other meetings. He's on vacation this week, so I don't know if he's willing to juggle his schedule Tuesday morning. I'd say let's plan on the 4:00 8/16 meeting with the County and you guys schedule the Tribal meetings as they fit with your schedules and we'll adapt as best we can.

Jeff: I did get a note from Angeles while I was out as follows:

Pre-meetings:

8/15 1-3pm BLM/EPA/NDEP dry run/messaging meeting at BLM Reno offices (tentatively, Greg needs to confirm NDEP's availability)

8/16 4-5pm City/County meeting (tentatively, Jeff working on it; County confirmed but still waiting to hear back from city)

To be scheduled: Tribal meetings-EPA in the lead; ideally both before 8/16 4pm.

Does this square with your understanding?

Hi Harry, I did reach out to Jeff Page and Dan Newell, before Greg sent me your original email, in an effort to pre-meet with them at 4:00 on the 16th. Jeff is available and Dan said he would be, too, unless he goes on vacation. I don't know how thin you're spreading yourselves between Tuesday and Wednesday with those other meetings, but Jeff and Dan might be flexible on timing for that meeting. Give me a call if you want to discuss further...thanks.

Jeff: Still trying to set up some date/time for us, you, and BLM to meet with tribes and City/County. Do you have any firm commit from City County?

Angeles is looking to pre-meet with NDEP and BLM on Monday afternoon in Reno. Thoughts?

Jeff: Have you made any progress on this - more importantly, set up any firm day/time to meet with City/County?

Thanks Harry. Jeff is coordinating with City/County on meeting so please include him in this planning.

Greg

Subject: Community Meeting 16Aug - associated visits

Greg and Gene: Angeles and I would like to coordinate and schedule what looks like a number of associated meetings around our visit to Yerington for the Anaconda community meeting. The meetings we hope to set up are:

1. EPA BLM NDEP pre-meeting prior to the community meeting on 16Aug
2. Visit (not consultation) with Yerington Paiute Tribe (Hatch or Thom)
3. Visit (not consultation) with Walker River Paiute Tribe (Sanchez or Ocegüera)
4. Visit with County (Page) and City (Newell)

You and any staff would of course be included in any or all of the associated meetings as your schedules permit. Recognizing that it will be hard to do all and a community meeting in one day, we were looking to try to schedule these meetings on Tuesday and Wednesday Aug 16 and 17 with a goal of wrapping up early in the afternoon on Wednesday to allow us to travel back to the Bay Area at a reasonable hour. I would be happy to take the lead on reaching out to set up these meetings but wanted to check in with you folks about this plan first in case you had different ideas or wanted to reach out yourself to set up some or all of these meetings. Thoughts?
